

Capability Statement

About us:

Cincy Electrical Solutions, LLC, is a full-service industrial and commercial electrical contractor providing the highest quality electrical service in the Greater Cincinnati area. The company was founded in January 2009 and is certified as a Small Business Enterprise (SBE) by the City of Cincinnati. The company is registered with Hamilton County and the Metropolitan Sewer District of Greater Cincinnati (MSD) as a SBE.

Key Services:

Cincy Electrical Solutions provides the full scope of electrical construction work for local governments, industrial factories, research and development facilities, retail operations, school districts, and universities. We perform new construction, renovations, and ongoing maintenance work. Our capabilities include power, voice and data communication, fire alarm, and security systems. We help customers minimize their utility costs with energy-saving improvements including solar panels, variable frequency drives, and high-efficiency lighting.

Recent Projects:

Cooling Towers Replacement – Procter and Gamble
Fountain Square Garage Elevators Upgrade – City of Cincinnati
Marcum Hall Fire Alarm Upgrade – Miami University
Philips Art Center Renovation – Miami University
Richard Miller Water Treatment Plant – Greater Cincinnati Water Works
