

Welcome

to the Metropolitan Sewer District of Greater Cincinnati!

MSDGC looks forward to serving you as our future customer. Attached to this document you will find our current list of licensed sewer tappers. We license individuals by giving them a written test. Passing the test demonstrates that they have the knowledge to make a sewer connection correctly, and that they are familiar with MSDGC's Rules and Regulations.

Please be advised! The list is NOT an endorsement or recommendation of any particular company or individual listed! MSDGC recommends that you follow the same steps and precautions you would take for any home improvement. Some of these steps might include:

- Obtain more than one bid for the work;
- Ask for references and check them out;
- Check with an agency such as the Better Business Bureau;
- Get a written contract and make sure it covers all the work that is to be done.
