WASTEWATER DISCHARGE PERMIT APPLICATION

PART 1

INSTRUCTION SHEET

Your firm may be required to obtain and periodically renew a Wastewater Discharge Permit. Information from this application will be used to determine if a more detailed application or site inspection is required for your firm. Instructions for completing this form are given below. Failure to file a permit application may be a violation of Article XV of the Metropolitan Sewer District Rules and Regulations and may subject the violator to enforcement action.

1. Please print or type this Application form.
2. The Wastewater Discharge Permit Application Form, Part I, is designed to apply to all Industrial and Commercial users. Answer all questions carefully. If there is doubt about the appropriate response to a question, write "unsure" or "information not available." In some cases, the questions may be answered by a simple check mark.
3. Enclose any plans, drawings, detailed explanations, or analytical data which you believe are helpful or relevant. Please identify all additional sheets, i.e. Section E, Item 1.
4. Be sure that the Application is signed by a representative of the firm with the authority as described in Metropolitan Sewer District Rules and Regulations, Article I (see definitions on reverse side).
5. Return the completed application to the Metropolitan Sewer District. Additional copies of the Application form and Metropolitan Sewer District Rules and Regulations are available from the Metropolitan Sewer District. If you have questions concerning this Application, please contact Michael Cappel, Industrial Investigator at (513) 557-7013.

The completed Application should be sent to:
