BACKGROUND

The National Green Infrastructure Certification Program (NGICP) sets national certification standards for green infrastructure (GI) construction, inspection, and maintenance workers. Designed to meet international best practice standards, the certification advances the establishment of sustainable communities by promoting GI as an environmentally and economically beneficial stormwater management option, supporting the development of proficient green workers, and establishing a career path for skilled GI workers.
In order to become certified, each trainee must meet the following criteria:

• HAVE A HIGH SCHOOL DIPLOMA
• COMPLETE THE 35 HOURS OF APPROVED TRAINING
• PASS THE EXAM
• AGREE TO THE NGICP CODE OF CONDUCT

Applications are now being received.
Email: ngicpcincinnati@civicgardencenter.org for an application

Site visits to GI examples at Cincinnati State, Cincinnati Zoo, MSD, and active site area projects are expected. Dates and transportation to be arranged.
