### **TRAFFIC ALERT: Lick Run Greenway**

#### *Road Closure of Northbound Harrison Avenue July 31- August 13*

CINCINNATI – Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in early July and will continue through Fall 2019. The \$89.9 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

#### **Traffic Pattern Update**

From 9 a.m. Monday, July 31, 2017 through Noon on Sunday, August 13, 2017 (two-week period), pending weather and the contractor's schedule, the northbound lane of Harrison Avenue between Westwood and Queen City avenues will be closed to traffic.

As a result, the following traffic pattern changes will occur in South Fairmount:

- The lane and ramp going to Harrison Avenue (outbound) from the lower deck of the Western Hills Viaduct will be closed. The lane and ramp going to Queen City Avenue/Beekman Street will remain open. Traffic with a Harrison Avenue destination will be detoured via Queen City Avenue.
- The lane and ramp going to Harrison Avenue (outbound) from the upper deck of the Western Hills Viaduct will be closed. The lanes and ramp going to Queen City Avenue/Beekman Street will remain open. Traffic with a Harrison Avenue destination will be detoured via Queen City Avenue.

*Drivers are encouraged to use caution when approaching the closure site and are reminded to use alternate routes around the area if possible.*
