TRAFFIC ALERT: Lick Run Greenway

Nighttime Work on Harrison Avenue on December 11
Lane Shift on Harrison Avenue on December 12

CINCINNATI – Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and will continue into spring 2020. The $90 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

This project will impact traffic in South Fairmount throughout the course of construction, including full road closures and lane restrictions. All work is weather and schedule dependent. A breakdown of the latest traffic pattern changes is below:

Traffic Pattern Change on Harrison Avenue

Construction crews will work evening hours on Tuesday, December 11, 2018 to complete paving of the new Harrison Avenue lanes between Tremont and Queen City avenues.

Starting the morning of Wednesday, December 12, 2018, all traffic on Harrison Avenue between Tremont and Queen City avenues will be shifted to the newly paved lanes.

Traffic flow will remain the same as before, with the same number of lanes open in each direction.

Please see the map for more information.
All Traffic Pattern Changes Currently in Place:
The following traffic pattern changes are currently in place. If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue. The northbound lane is open.

- Partial opening of new Harrison Avenue between Westwood and Queen City avenues. Two southbound lanes and one northbound lane (from the lower deck of the Western Hills Viaduct) are currently open.

- Closure of Quebec Road between Westwood and Queen City avenues.

- Continuous left turn onto Westwood Avenue from White Street. No left turns from Westwood onto White Street.

- Various temporary lane restrictions along Queen City Avenue, Westwood Avenue, and adjacent streets for the relocation of utilities and/or construction of new sewer segments.
