TRAFFIC ALERT: Lick Run Greenway

Major Roadway Changes Planned for March 2019 in South Fairmount

CINCINNATI – Major roadway changes are coming to South Fairmount as part of the Lick Run Greenway project. The following changes are anticipated by mid-March, pending weather and field conditions. More details to come.

- Queen City Avenue between Harrison Avenue and Beekman Street will permanently become a two-way street.
- The Queen City Avenue/Beekman Street exit from the lower and upper decks of the Western Hills Viaduct will permanently close, and the Beekman Street connector roadway will be demolished.

Please see the attached map for more information.

Lick Run Greenway Project Information:

Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and will continue into spring 2020. The \$90 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

The following project-related traffic changes are currently in place. If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue. The northbound lane is open.
- Partial opening of new Harrison Avenue between Westwood and Queen City avenues. Two southbound lanes and one northbound lane (from the lower deck of the Western Hills Viaduct) are currently open.
- Closure of Quebec Road between Westwood and Queen City avenues.
- Continuous left turn onto Westwood Avenue from White Street. No left turns from Westwood onto White Street.
- Various temporary lane restrictions along Queen City Avenue, Westwood Avenue, and adjacent streets for the relocation of utilities and/or construction of new sewer segments.

For additional information and archived press releases, please visit the Lick Run website at www.projectgroundwork.org/lickrun.
