TRAFFIC ALERT: Lick Run Greenway
Selim Avenue Closing to Thru Traffic September 19-20 and 23-35

CINCINNATI – Selim Avenue will close to thru traffic from 9:00 a.m. – 5:00 p.m. daily September 19-20 and September 23-25, 2019 for the installation of new storm sewers, pending weather and field conditions.

The roadway will be plated and re-opened to all traffic after 5:00 p.m. each weekday. Selim will be open to traffic over the weekend.

Local access homes and businesses will be maintained. Thru traffic will be detoured to Selim via Grand Avenue and Northside Avenue.

Please see the attached map for more information.

Lick Run Greenway Project Information:

Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and will continue into spring 2020, pending weather and field conditions. The $90 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

The following project-related traffic changes are currently in place. If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue. The northbound lane is open.

- Closure of Quebec Road between Westwood and Queen City avenues.

- Closure of White Street between Westwood and Queen City avenues.

- Various temporary lane restrictions along Queen City Avenue, Westwood Avenue, and adjacent streets for construction of new storm sewers and other construction activities.

For additional information and archived press releases, please visit the Lick Run website at www.projectgroundwork.org/lickrun. To sign up for Lick Run Project email updates or to discuss customer issues, please contact MSD Engineering Customer Service at (513) 557-3594 or
