TRAFFIC ALERT: Lick Run Greenway
Kepler St. to Close Nov. 5 in South Fairmount

CINCINNATI – Kepler Street – a cross street between Queen City and Westwood avenues in South Fairmount – will close to traffic between 9 a.m. and 4 p.m. on Tuesday, November 5 for Lick Run Greenway construction. The street will be open for morning and afternoon rush hours. All other cross streets are now open in South Fairmount, with the exception of southbound State Street.

Please see the attached map for more information.

The following traffic changes remain in place for Lick Run Greenway construction.

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue. The northbound lane is open.

- Various temporary lane restrictions along Queen City Avenue, Westwood Avenue, and adjacent streets for construction of new storm sewers and other construction activities.

If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

Lick Run Greenway Project Information:
Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and will continue into summer 2020, pending weather and field conditions. The $90 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

For additional information and archived press releases, please visit the Lick Run website at www.projectgroundwork.org/lickrun. To sign up for Lick Run Project email updates or to discuss customer issues, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov. Please follow MSD at @CincinnatiMSD on Twitter for the latest schedule/traffic updates.
