TRAFFIC ALERT: Lick Run Greenway
Major Traffic Changes at Intersection of Harrison and Queen City Avenues
April 13 through Early May, Two-Way Portion of Queen City Avenue to Close
April 13 for 1-2 Weeks

CINCINNATI – Starting Monday, April 13 through early May, there will be major traffic changes at the intersection of Harrison and Queen City avenues in South Fairmount as crews work on a full-depth repaving of the roadway. Please see the attached map for more information.

The restrictions are as follows:
Note: This schedule is subject to change, pending weather and field conditions.

April 13 through early May:
- Traffic will be reduced to one lane in each direction on Harrison Avenue through the intersection with Queen City Avenue. As a result, one lane from the lower level of the Western Hills Viaduct will be closed.

April 13 for 1-2 weeks:
- Two-way portion of Queen City Avenue between Harrison Avenue and Beekman/State Street will be closed to thru traffic.
- Access to the Family Dollar Store and Immanuel United Church of Christ in the 1500 block of Queen City Avenue will be maintained from Beekman/State Street only.
- Access to the BP gas station will be maintained from both Harrison Avenue and Beekman/State Street.
- Traffic on Harrison Avenue needing to access Beekman Street will be detoured via Tremont Street.

Mid to late April:
- No right turn from southbound Harrison Avenue onto westbound Queen City Avenue.
The following traffic changes remain in place for Lick Run Greenway construction.

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue. The northbound lane is open. Note: State Street is expected to re-open to two-way traffic early next week.

- Various temporary lane restrictions along Queen City Avenue, Westwood Avenue, and adjacent streets.

If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

**Lick Run Greenway Project Information:**
Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and is expected to be completed in 2020, pending weather and field conditions. The $90 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.
