TRAFFIC ALERT: Lick Run Greenway
Major Traffic Impacts at Queen City Bypass in South Fairmount June 3-7

CINCINNATI – Major traffic impacts to the Queen City Bypass in South Fairmount between White Street and Lick Run Way will occur June 3-7, including a full closure of the westbound lanes on June 5-6. All work is pending weather and field conditions.

Duke Gas and their contractor, Adleta Construction, are conducting a full-depth concrete repaving of the roadway.

The following impacts are anticipated:

- **Wednesday, June 3, and Thursday, June 4:** Lane restrictions on the westbound lanes.
- **Friday, June 5, and Saturday, June 6:** Closure of westbound lanes, with a detour via Quebec Road, Glenway Avenue, and Sunset Avenue. One lane may reopen late on Saturday, June 6.
- **Monday, June 7:** All westbound lanes are expected to re-open before rush hour.

Please see the attached location map.

A second phase of repaving on westbound Queen City Bypass will also occur in June. A separate press release will be issued.
The following traffic changes remain in place for the Lick Run Greenway construction project:

- Various temporary lane restrictions along Harrison Avenue, Queen City Avenue, Westwood Avenue, and adjacent streets.

If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

**Lick Run Greenway Project Information:**
Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and is expected to be completed in 2020, pending weather and field conditions. The $90 million Greenway includes a mile-long creek with walking/biking trails in a park setting through the valley corridor.
