## TRAFFIC ALERT: Lick Run Greenway

*Major Traffic Restrictions in South Fairmount (including Harrison Avenue) for Milling/Repaving Work August 27 through early September*

CINCINNATI – Traffic restrictions in South Fairmount start today, August 27, and will continue through early September for milling and repaving work, pending weather and field conditions. This work will impact multiple roadways. Work on Harrison Avenue is scheduled to start Monday, August 31 and continue through the week.

*Please see the attached map for impacted roadways.*

The following traffic restrictions will be in place on various dates during this time period. All roadways should re-open at the end of each work day.

- Lane restrictions on Harrison Avenue between the Western Hills Viaduct and just north of Queen City Avenue. One lane will remain open in each direction.
- Eastbound lane of Queen City Avenue between Harrison Avenue and State Street will be closed and traffic will be detoured to Beekman/State via Tremont Street. The westbound lane of Queen City Avenue will remain open.
- Lane restrictions on Beekman Street at the intersection with Queen City Avenue. One lane will remain open in each direction.
- Lane restrictions on Grand Avenue between Queen City and Westwood avenues. One lane will remain open in each direction.
- Road closure of Pinetree Alley, Kebler, Van Hart, and Rankin streets.

The following traffic changes remain in place for the Lick Run Greenway construction project:

- Various temporary lane restrictions along Harrison Avenue, Queen City Avenue, Westwood Avenue, and adjacent streets.

If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

**Lick Run Greenway Project Information:**

Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and is expected to be completed by spring 2021, pending weather and field conditions. The \$90 million Greenway includes a mile-long creek with walking/biking trails in a park setting through the valley corridor.
