MSD Notice of Construction - Avondale *Bogart Avenue Sewer Replacement January 14 – Early Spring*

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) and its contractor, Ford Development Company, will be replacing a 12-inch diameter sanitary sewer in Avondale. The project will begin January 14 and is scheduled to be completed in spring 2019, pending weather and field conditions.

Please see the attached map.

Construction activities will occur generally between 7:00 a.m. and 4:00 p.m. Monday through Friday. Some weekend work may be necessary at times.

Access to local traffic and emergency vehicles will be maintained at all times, but delays are possible.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

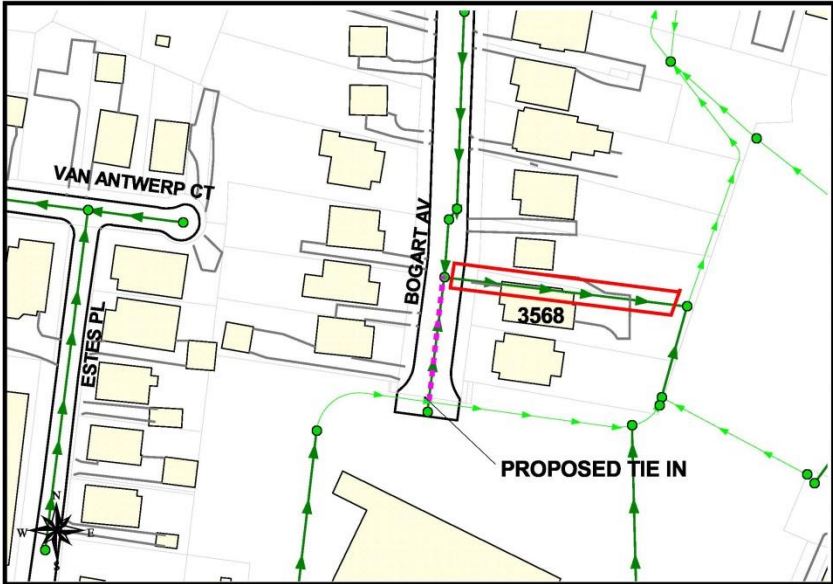

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives through cleaner streams, improved protection of public health, and enhancement of the communities where we live, work, and play.

For additional information about the MSD project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
