MSD Notice of Construction – Green Township
Brierly Creek Road Local Sewer Project Early May – Summer 2020

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will begin installing a new sanitary sewer off Brierly Creek Road in Green Township starting this week.

The project will provide new sanitary sewer service to five properties off a private drive between 6040 and 6100 Brierly Creek Road and allow for elimination of their private household sewage treatment systems. The project will be completed during the summer, pending weather and field conditions.

Please see the attached project map.

MSD’s contractor is Ford Development Company. Construction activities will occur generally between 7:00 a.m. and 5:00 p.m. Monday through Friday.

Lane restrictions will occur on Brierly Creek Road at the intersection with the private drive for 1-2 weeks between the hours of 9 a.m. and 4 p.m. on weekdays. The lane restrictions will be lifted after 4 p.m. nightly and generally all day on weekends. Please plan accordingly to avoid delays.

Access to local traffic on the private drive will be maintained at all times, but delays are possible as construction moves along the roadway.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

For additional information about the MSD project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
