MSD Notice of Construction
Hopewell Road Sewer Lateral Project

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will construct a 6-inch sanitary sewer lateral at 9283 Hopewell Road in Symmes Township. Construction work will begin mid-September with completion by late September 2017 weather permitting.

Please see the attached project map.

MSD’s construction contractor is J.T. Lohrer Construction Company. Construction activity will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Friday. Some weekend work may be needed.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD’s multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will protect public health, improve our local streams and rivers and enhance our communities.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD_Communications@cincinnati-oh.gov.
