MSD Notice of Construction – Mt. Airy *Elimination of Ponderosa Pump Station Jan. 7 – Spring 2019*

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will construct a new 8-inch-diameter sanitary sewer near the end of Westonridge Drive in Mt. Airy beginning on Jan. 7. The project is scheduled to be completed in spring 2019, pending weather and field conditions.

Please see the attached map.

This project will eliminate the existing Ponderosa Woods pump station. Construction activities will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Friday. Some weekend work may be necessary at times. The construction contractor is Sunesis Construction Company.

On-street parking will be allowed after 4:00 p.m. each day until 9:00 a.m. the next morning to accommodate residents, but limited between 9:00 a.m. and 4:00 p.m.

Access to local traffic and emergency vehicles will be maintained at all times, but delays are possible.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives through cleaner streams, improved protection of public health, and enhancement of the communities where we live, work, and play.

For additional information about the MSD project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
