## **MSD Notice of Construction** *Poole Road Sewer Lateral Project*

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will construct a 6-inch sanitary sewer lateral at 3759 Poole Road in Colerain Township. Work is anticipated to start this week, with completion in August 2017. See attached map.

MSD's construction contractor is Paul Rowlette Contractors. We anticipate construction activity will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Friday. Some weekend work may be needed.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

We apologize for any inconveniences and will work diligently to minimize disruptions.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will protect public health, improve our local streams and rivers and enhance our communities.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov).
