MSD Notice of Construction – Anderson Township
MSD Sewer Construction on Rambling Hill Drive June 24 – Summer 2020

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will begin a sewer construction project at 1307 Rambling Hill Drive starting this week, pending weather and field conditions. The work should be completed this summer.

MSD will construct a new 6-inch diameter sanitary sewer to provide sanitary sewer service to 1307 Rambling Hill Drive and allow for elimination of a private household treatment system.

Please see the attached project map.

MSD’s contractor is Larry Smith Incorporated. Construction activities will occur generally between 7:00 a.m. and 5:00 p.m. Monday through Friday.

Lane restrictions will occur on Rambling Hill Drive during working hours in the construction zone. Please plan accordingly to avoid delays.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

For additional information about the MSD project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD_Communications@cincinnati-oh.gov.
