Traffic Alert – Green Township
Sewer Construction near Rybolt Road and Russell Heights Drive Jan. 21 – Sept. 2019
Closure of Rybolt Road Feb. 4 – End of March

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will begin sewer
construction the week of Jan. 21 near Rybolt Road and Russell Heights Drive in Green
Township. The project is scheduled to be completed by September 2019, pending weather and
field conditions.

Rybolt Road between Old Rybolt and Wesselman roads will be closed to thru traffic beginning
Monday, Feb. 4. The road closure will remain in place until the end of March, pending weather
and field conditions.

Access to local traffic will be maintained at all times, but delays are possible. Northbound traffic
on Rybolt will be re-routed along Wesselman Road to Harrison Avenue to Rybolt Road.
Southbound traffic will be re-routed along Harrison Avenue to Wesselman Road to Rybolt Road.

After Rybolt is re-opened to thru traffic at the end of March, there will be lane restrictions in the
construction zone on Rybolt and Russell Heights Drive between the hours of 9 a.m. and 4 p.m.
on weekdays. Please see the attached closure and project maps.

MSD is installing a new sewer to service 16 properties along Russell Heights Drive and Rybolt
Road and allow for elimination of private household sewage treatment systems.

MSD’s contractor is Rack and Ballauer Excavating Co. In addition to traffic inconveniences,
typical construction-related disturbances such as noise, dirt and vibrations should be expected
throughout the construction period.

This project is part of Project Groundwork, MSD’s multi-year plan to reduce sewer overflows into
streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives
through cleaner streams, improved protection of public health, and enhancement of the
communities where we live, work, and play.

Project updates will be shared via press releases and Twitter @CincinnatiMSD.
For additional information about the MSD project, please contact MSD Engineering Customer
Service at (513) 557-3594 or MSD_Communications@cincinnati-oh.gov.
