MSD Notice of Construction – Green Township

MSD Sewer Construction on Werk Road Late June – Summer 2020

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will begin a sewer construction project on Werk Road east of Ebenezer Road starting the week of June 29, pending weather and field conditions. The work should be completed during the summer.

MSD will construct a new 6-inch diameter sanitary sewer to provide sanitary sewer service to 6052 Werk Road and allow for elimination of a private household treatment system.

Please see the attached project map.

MSD's contractor is Queen City Mechanicals. Construction activities will occur generally between 7:30 a.m. and 5:30 p.m. Monday through Friday.

Lane restrictions will occur on Werk Road in the construction zone between the hours of 9 a.m. and 4 p.m. The lane restrictions will be lifted after 4 p.m. nightly and generally all day on weekends. Please plan accordingly to avoid delays.

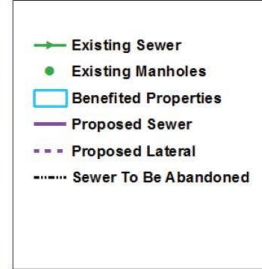

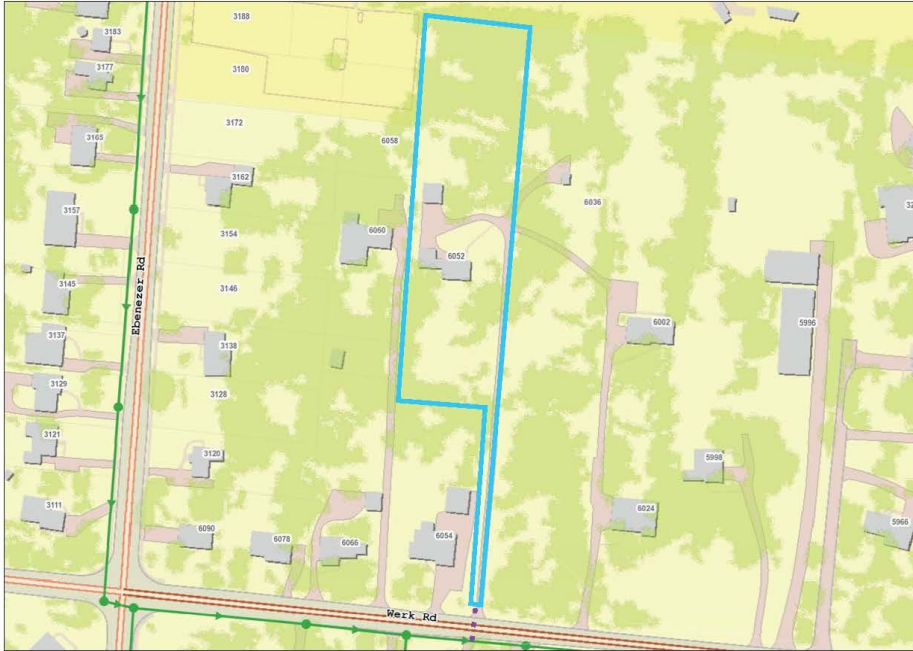

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

For additional information about the MSD project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
